

PEAT MONSTER ARCANA

Limited Edition

An Experiment into Oak & Smoke

What if we matured The Peat Monster in French oak for a few years? Peat Monster Arcana is the result; using complementary malt whiskies, we have captured the richly spicy and more subtly smoky profile of three experimental casks.

FLAVOUR PROFILE

Chocolate, cinnamon and boat tar appear on the nose while the palate is fruity and compellingly waxy. A dry smoky presence steadily builds.

SERVING

Peat Monster Arcana rewards experimentation. Explore how the addition of water or soda reveals new textures, or discover how its sweet smokiness reacts with creamy blue cheeses.
